Prayer for the Archbishop of Canterbury

A prayer for our next Archbishop of Canterbury and the selection process:

Heavenly Father, shepherd of your Church, send us a faithful pastor to lead with wisdom, courage, and love, proclaiming your Gospel, celebrating the sacraments, and guiding your people in unity and truth. Strengthen your Church, we pray, and direct us in your ways; through Jesus Christ our Lord. Amen

Marigolds Friendship Group

We are an independent friendship group who meet at Holy Trinity Church. Come and join us, for friendship, support, tea, chat relaxed activities, speakers, music etc. on the second and fourth Monday of the month from 2.00 pm to 3.30 pm. The group is aimed at people who find themselves alone; whilst it is mainly attended by ladies, gentlemen are welcome. Some of our events are open to anyone, not just those on their own.

For more details please contact:

Julie Hindle 01536 392311

Mind

On 14th July the Marigolds group had an open meeting. Our speaker was Callum from *Mind* in Kettering.

Callum spoke about all that is offered in mental wellbeing here in Rothwell and our surrounding area. I had no idea so much was available although not all in the town.

There is a regular *Mind* counsellor in Rothwell Library from 1 - 4 pm weekly on a Friday. Often a chat and tea can change lives. If anyone is struggling please contact *Mind*.

Thanks Julie for organising this. Amazing that you first met Callum aged 3!

Penny Knight

The Rushton community bus is going to *Beckworth Emporium* on Wednesday, 24th September. If we get 12 passengers the cost will be £4 each. Please contact Janet Clements if you are interested in joining us.

Coffee Mornings

For the foreseeable future, there will be no Monthly Coffee morning in aid of the Charity of the month. For those who would still like to donate there is a collection box in church and any donations for refreshments after the Sunday morning service will also go to the charity of the month. This month's charity is *Hearing Dogs for Deaf People*.

Church Fundraiser

I would like to do another fundraising event for church funds on the evening of Saturday 20th September.

To encourage with as many people as possible to attend, I would like you to decide what event you would like see to happen.

Choices are... 1. Bingo
 2. Race Night
 3. Quiz
 4. Beetle Drive

Please let me know your choice by 15th August.

Laurabeth Creasey

New Services

Please note that from July, we will be offering two new lay led services.

On the first Sunday of the month, *Morning Praise* will be held at Thorpe Malsor at 10:30am.

On the second Sunday of the month, *Choral Evensong* will be held at Holy Trinity at 6:00pm.

Please do support these new services. If you wish to join the singers for the Choral Evensong services, please contact a member of the choir.

Laurabeth Creasey

Churchyard

Although the two wildflower areas have suffered from the extremely dry conditions it is good to see that the seeds sown by the children have germinated and a mixture of native wildflowers are blooming at the edge of the churchyard next to the path. We plan to install a water butt outside the church to make watering easier next year.

If you know anyone who has a hedgehog house they no longer need please get in touch.

Recycling

Thank you to all who have responded to our request for blister packs; the number which have been donated is quite staggering. This is a great way to reduce landfill, please keep them coming in.

A quick reminder: Soft plastics like plastic bags and wrappers are typically not recyclable in household bins but Rothwell Co op has a collection point to the right of the door.

Litter

Litter is still a problem, nine bags collected from Rushton Road this week; this is rubbish thrown from cars onto the verge. Please help by joining our regular litter pick after each of the Altogether Café Services. If you could spare 20-30 minutes occasionally to tidy the areas near the church that would be great.

Pam Shaw on behalf of the Eco team (Tel: 07717280584)

Mothers' Union

On 9th August we celebrate Mary Sumner Day and this year our Tresham Branch will host the Deanery Celebration and Deanery Festival together. This will be at Holy Trinity at 2.30pm. Banners will be required from all Deanery branches to be displayed on this special day. Our Diocesan President has also been invited.

This will be a lay led service by Laurabeth Creasey who is now a worship leader .

After the service Tea and cakes are available. All are welcome.

The retiring collection is for the *M.U. Summer of Hope Campaign* supporting Education and Health Worldwide.

Tresham Benefice Fellowship

What brilliant weather we are having and it was another bright day when 21 members took two narrowboats from Market Harborough to Foxton Locks along the Union Canal which was another very popular outing for the Tresham Benefice Fellowship.

We had two and a half hours, blissfully sailing at four miles an hour, admiring the beautiful countryside to Foxton Locks. Thank

goodness we don't have to man the locks! We spent two hours watching larger boats coming down the locks and having a picnic in the lovely garden of Bridge 61 pub.

We arrived back at Market Harborough basin at 4.30pm. It's amusing to think that the car journey would only take 10 minutes!

We have been invited to member Margaret Wride's home in August. Margaret has a very beautiful garden and she makes delicious scones and cakes for everyone. Let's hope the weather is good, although all gardeners are crying out for rain.

Our chairman Colin has organised an extra outing to the Crocodile Farm in Huntingdon, using the minibus. It was so popular that the bus filled

within a few hours. We will be meeting in Cransley Village Hall in September at 2pm.

So you can see our programme is very varied and you don't have to be a church member. So when are you going to join us? It's only £5 per year membership and we try to keep the outing prices as low as possible.

While writing this report I was so sorry to hear from Peter Doughty that his father Brian has passed away.

Brian was a long time member of the Fellowship and he enjoyed many pleasant hours with us . He will be sorely missed. Our thoughts are with his family at this very sad time.

Please contact me on my email address. laurelspickett@gmail.com.

Whitby Retreat

After 10 years of very successfully organising our annual Retreat at Whitby, Revd Margaret has handed over the role, so that she herself can relax at St. Hilda's Priory.

Laurabeth Creasey nobly agreed to take it on this year and turned out to be a superwoman, not only organising the accommodation, travel

arrangements, and daily studies, but also managed to cook dinner for 14 of us on two of the evenings!

We had glorious weather for the retreat, from Monday, June 16th to Friday 20th. Each morning, after breakfast we had studies and readings.

Laurabeth had planned some very interesting topics and there were lively discussions.

The afternoons were free to go out if we wished, and as we were lucky enough to have several willing drivers, there was always a choice of places to go.

One afternoon a group went to Scarborough Fair and had lots of fun on the carousel, and the penny slot machines, while some

of us went to a more sedate ruined Priory, where 70 monks lived in separate cells, totally isolated in a life of prayer.

Other afternoons were spent on the beautiful beach, or exploring Whitby, and some went to Goathland, where the programme 'Heartbeat' is filmed.

I don't think any of us walked up the 199 steps at Whitby, this year, but we did go into the church at the top by cheating and driving up to it.

We were looked after very well by Sister Helen , who provided us with delicious lunches, and dinner on the first evening. On the last evening we celebrated by going out for a meal in Whitby.

Before our evening meal most of us would join the sisters in their Compline service, to give thanks for the day which we had just enjoyed. We were free to join in any of the services in the chapel, which has had a beautiful stained glass window installed since our last visit.

In the evenings we let our hair down and brought out the bottles of wine, spending a companionable time together. Lots of chat in a lovely big lounge. Laurabeth was amazing, and we thank her for organising everything. In fact the week was so popular that she has booked an extra five rooms for next year, June 15th 2026!

Seeing things differently

August is a month that brings us ‘the summer’... now I don’t know about you but I often find myself wondering what that will mean, will it be full on heat of summer, torrential rain, cloudy cool days or all of the above!

We will simply have to wait and see and whatever faces us we will no doubt adapt whatever we are doing to fit the situation as best we can.

This sense of the need to adapt and see things differently brings to mind Bartholomew, one of Jesus 12 disciples, mentioned in the gospels of Matthew, Mark and Luke. John’s gospel never mentions Bartholomew but does mention Nathanael (the others don’t) so many think that Bartholomew and Nathanael are the same person.

I love Nathanael’s first encounter with Jesus. Philip comes and tells him about Jesus of Nazareth to which Nathanael replies ‘Can anything good come out of Nazareth?’ It’s a slightly grumpy response, maybe like those hoping for a lovely summer holiday weather in August, he’s been let down a few times before.

Still, what happens next is a story of being completely turned around. Jesus tells Nathanael that he saw him under the fig tree before Philip called him. Nathanael is so surprised by this he changes from sceptic to believer, and even more than Philip had said. Nathanael says to Jesus “you are the Son of God! You are the King of Israel.”

There are many times when we are sceptical or doubt, but when we meet Jesus for ourselves our outlook can be transformed, when we realise we are known and loved by Jesus it changes everything.

Come rain or shine this August I pray you find some time to meet Jesus in the pages of the Bible, in the family of the church, in a quiet place (like Nathanael's fig tree) where you are seen and loved.

Point to Ponder

When the atomic bombs were dropped on the Japanese cities of Nagasaki and Hiroshima on August 6th and 8th 1945, the six years of the Second World War shuddered to an end.

The ensuing devastation of these cities brought new and terrifying dimensions into our understanding and experience on war and the effects of these weapons on the victims and the environment. This was the only time the nations of the world could step back and see what atomic weapons could do.

It was estimated that the death toll was in the region of 300,000+. Countless civilians suffered indescribable injuries, and the effects of radiation poisoning can still be seen today.

The debate on the ethical and legal justification for the bombings remains unresolved in the minds of scholars of international law, in political and moral thinkers and with religious leaders.

One of the basic points of view prevalent at the time was that the bombings were justified because of the time it was going to take to defeat the enemy or the revulsion at the way the war was being conducted in some places. There will be sad memories in many homes this month as there are from any conflict.

However, we need to learn from past mistakes and not repeat them. That is why the reports of the effects of the bombings not only make for some very harrowing reporting but should be the bedtime reading of those political leaders who are tempted to use atomic weapons as a means of achieving their aims.

We are living in dangerous times which need wise and far-sighted world leaders to guide the nations under their charge. President John F Kennedy reminded us at the height of the Cuban Crisis in the 1960's "*mankind must put an end to war or war will put an end to mankind.*"

Like Kennedy we are all children of the atomic age, and we bear an inescapable burden to ensure that our beloved planet is not destroyed by the folly of conflict, national greed, and fear. As Jesus reminds us "*blessed are the peacemakers for they shall be called the children of God*" (Matthew 5 verse 9).

As well as being an opportunity to call the nations to prayer it is to be hoped that the *VJ Day of Remembrance* on August 15th, through its celebrations and thanksgivings, will provide everyone with an opportunity to renew our faith in the presence of courage and fortitude in the human heart, real service to others in the family of the nations irrespective of colour, creed and birth, and hope in the destiny of human concerns for one another as we go about our daily lives.

On the Cenotaph in Hiroshima are the words "*Rest in Peace. The mistake shall not be repeated.*" These words must surely be a clear call to all the nations to work together and enjoy this happy and wonderful vision for the future generations.
